

All Things Cherry Proudly Presents:
SQ6: The Nude Photo Experience; Out of Body

Formal Abstract:

Nudies. Selfies. Nude Selfies. I woke up as a chick, grab the camera!

Deflowered by ATC

All Things Cherry

SQ Series Summary Results Survey 6

Webpage: <http://www.allthingscherry.com/>

Disclaimer:

This brief summary does not intend to be statistical accurate in any way. It is a satirical summary of real responses gathered anonymous and randomly through internet input for entertainment purposes only. The only reason there is a disclaimer, is because there are too many stupid people alive that may take this as truth.

Question Definition

Do you take nude selfies? Would you? Would you sell them? If you woke up tomorrow as the opposite sex, would you take nude selfies?

Methods

Internet polling, via website input, was conducted. The poll was left active for one month with input done through a webpage survey for anonymous input. Advertisement of the poll was done primarily through Facebook groups and sharing.

The following questions were asked:

- Please enter your sex:
- If could be the opposite sex for 1 day, would you do it?
- The first thing I would do is...
- If you are female, would you drink as much liquid as possible to pee standing up?
- If you are a female, admit it, you've already peed standing up anyway haven't you?
- Would you take a few photos of yourself nude? (For science of course)
- Have you currently taken a few photos of yourself nude?
- Have you ever sent nude photos of yourself to someone else?
- Would you send nude photos to someone else for money?
- How much money?
- Would it be cooler if you swapped bodies with someone you knew, instead of just waking up the opposite sex? They would also swap with you.
- If you answered yes, who? (Non-celebrity) Examples: Internet friend, admin, spouse, bff, etc...
- Would you take nude photos? (Again, for science)
- Nude photos standing up peeing?
- What celebrity would you swap bodies with for 1 day? (We know you'd take nudes).
- My spirit animal is a _____ and why? (Bonus points for creativity)
- Any Comments? This is your box to do whatever you want with. Your comments will be displayed at the end of poll, unless of course it's an email address to get nude photos at. We won't distribute that.

Analysis

For this poll, we're going with the old school format instead of the infographic as the questions lend themselves more to a story than 1 summary.

1) If could be the opposite sex for 1 day, would you do it?

100% YES. (Was there any doubt?) Do we need a graph for that? If you answered yes, tell 3 of your friends to fill out this poll next month and we'll do it. As it is, we live on beer and ramen and we do this for free.

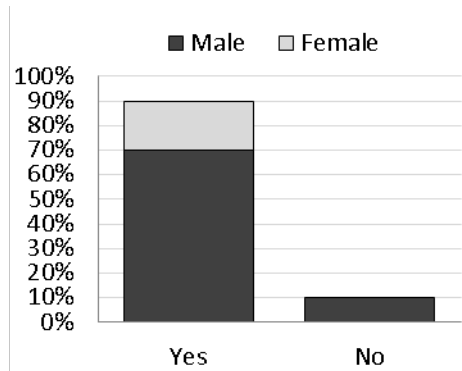

2) What is the first thing you would do?

Pretty much all the same answer: masturbate. Exact answers below:

- Play with my wiener.
- Discover myself.
- Finger self.
- Walk back and forth through doors.
- Flash everybody on the roadways.
- Teach every girlfriend I have to drive.
- Masturbate.
- Straight to a mirror!
- Get laid!!
- Feel my boobs, masturbate and get free drinks.

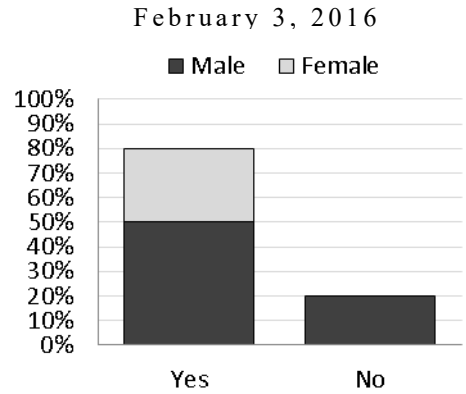

3) Would you take nude selfies?

Surprisingly, one person said no. That person was male. What this person was thinking, the world will never know. Perhaps we should ask Mr. Owl? Honestly, if we woke up the opposite sex, we'd make porn stars blush, along with the rest of you, over 90%, basically answered, "I'M BREAKING THE CLOUD MEMORY BANK!!!!!!1111!!!!"

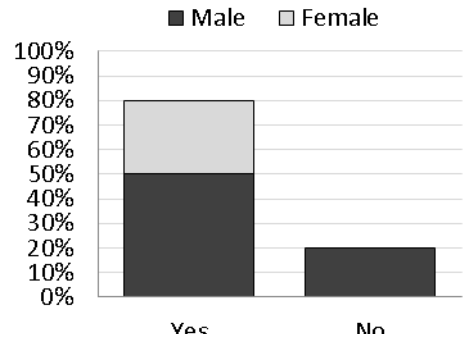

4) Have you currently taken nude photos?

The answer? 63% of males said yes. 100% of females said yes. Right on girls! In graph form for our total results:

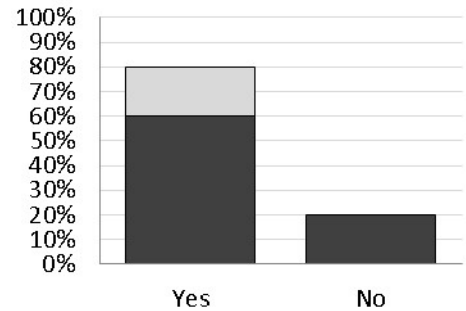

5) Have you ever sent nude photos of yourself to someone else?

Same results. 63% of males said yes. 100% of females said yes. In graph form for our total results...

6) Would you send nudes to someone else for money?

Variation! 75% of males said yes. 100% of females said yes. Evidently there is a guy or two that hasn't snapped a photo of Punxsutawney Phil but would do so for a little monetary incentive before he saw his shadow.

How much money?!

Females gave the following responses:

- *At least \$25,000*
- *Undetermined*

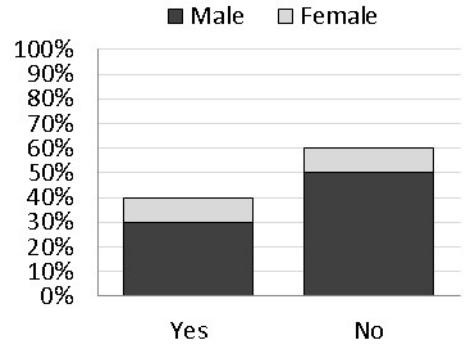

Males gave the following responses:

- *Depends on how much nudity but hundreds of dollars would do it*
- *>= \$50,000*
- *\$50*
- *\$100*
- *A 20 spot?*
- *\$3,000*

We wondered after the fact if there is a correlation with the price to one's length of member. Alas, we do not have that info and can only speculate. To carry on that theme though, one of the "No" responses gave the following comment: *"Just for fame"*. Girls!! If our theorem holds true, the guy that answered this way puts horses to shame.

7) Would it be cooler if you swapped bodies with someone you knew, instead of just waking up the opposite sex? They would also swap with you.

Only 38% of males would swap with another person for 1 day. No Freaky Friday in their household evidently. Same applies for women.

Of those that said yes, who would they swap with?

Female: *“a few internet friends are WAY hotter than me”*

Does this imply they’d swap to a female body for a day or a male to ‘get jiggy wit it’?

Male: *“ex gf”, “facebook friend”, “spouse, then ex-gf”*

This last guy is in for a crazy drunken night in our book. We know what you’re thinking. But it brings up so many more questions, like would you go down on yourself?

Would you take nude photos? (Again, for science).

100% of those that answered yes to swapping with someone they knew, they would take photos. All the males respondents would also take a photo standing up and peeing. The female would not.

8) What celebrity would you swap bodies with for 1 day? (We know you'd take nudes).

The responses on this surprises us. We had assumed the question lead up of swapping bodies would lend females to select guy celebrities and males to select girl celebrities. Not so, at all.

Female Responses

- *Jessica Alba*
- *Cameron Diaz*

Male Responses

- *Male: Brad Pitt, Female: Christina Hendricks*
- *Jewel*
- *Amy McAdams*
- *Melinda Gates*
- *Male: Nicholas Cage, Female: Alizée*
- *Yolandi Visser*
- *Hermoine Grainger There are millions of guys (and girls) who think they are better than Ron Weasley...*
- *Beyoncé*

9) **My spirit animal is a _____ and why? (Bonus points for creativity)**

Note, we kept comments 100% unedited here to not distract from the meaning of the response:

Monkey. Cause I can be a sexy bitch one minute, and throw poo and humans the next – female
Any human throwing monkey scares the hell out of us! “My God, there she goes again!”

A large bird – female

This person didn’t really clarify exact bird type or why, so we’ll add a few birds that may fit the bill and would have self-explanatory reasons: Tufted Titmouse, Red-Footed Booby, Imperial Shag, Red Billed Oxpecker, Dickcissel, Great Tit, Barn Swallow, or Southern Screamer

Lichen – male

Again, no reason given. The only thing we could come up with, was quoting lichen.com “*Slugs are quite fond of some lichens.*”

Moose, because they are big and fast can whoop ass. – male

Fast can whoop ass. Two booty references in 4 words is quite a talent.

Shit Weasel. There is nothing like eating a little ass. – male

Did you even watch Dreamcatcher? Dude, you’ll earn your red, green, and dead wings all in 2 seconds and it didn’t sound fun at all!!

Little Alien Dude. I’d get him drunk and he’d teach me to freeze time so I could take upskirts. – male. We like your style brother.

Rooster. Big cock but still a chicken. – male

Please stay away from beer cans. Do you know what happens when beer cans, chickens, and grills get in close proximity?! Do not look up beer can chicken.

Snake – That ability to slip into the tightest of spaces and not get pulled out against my will. – male. We never want to wake up with you in the same prison cell...ever.

Unicorn stallion with 2 penises both reasonably sizable – male

Not only reasonably sized, but sizable. Someone buy this guy a beer for being awesomesauce.

Conclusions

Just a couple loose ends regarding urine. One female, if she woke up male would drink as much as humanly possible to pee standing up. But, 100% of the females have peed standing up anyway.

Otherwise, we learned that guys want to be chicks to feel themselves, and girls want to be other girls to feel themselves. Everyone loves peeing standing up. Also, \$50,000 and you can see just about anyone you want to naked. In fact, \$20 might just be enough for some people.

Let's head over to comment time!

100% Unedited (we didn't fix your spelling; in fact we're laughing at you).

Twisted as always. Love it – female

I did this entire poll while taking a big shit – male

Parent Trap mature addition – male

I'm already glad I'm not a woman. I don't need to try it to find that out. – male

There needs to be a rebirth of the phrase, "I'd buy that for a dollar." – male

Seriously, you guys are the only people that understand life. Most people are boring and lame. I'd send you photos of my junk any day. – male

Is it really that hard t pee standing up without an aiming hose? – male

Urinating upright should be a fundamental right right. – male

When I was in college, this car of girls pulled into a gas station where I and the 3 of my friends were at. They told us they'd flash us their tits for \$5 for gas. We turned them down (I am kicking myself for that now, I wish I had the ability to give \$5 to my younger self.). Regardless, as we drove away, one girl screamed something and pulled her top up anyway. It was a good night. – male
