Disclaimer:

This brief summary does not intend to be statistical accurate in any way. It is a satirical summary of real responses gathered anonymous and randomly through internet input for entertainment purposes only. The only reason there is a disclaimer, is because there are too many stupid people alive that may take this as truth.

Question Definition

If you could pick a sex super power, what would it be and why?

How kinky are you? Does alcohol increase this?

Favorite sex position?

Methods

Internet polling, via website input, was conducted. The poll was left active for one month with input done through a webpage survey for anonymous input. Advertisement of the poll was done primary through Facebook groups and sharing.

The following questions were asked:

- Please enter your sex
- On a scale of 1 to 5, 5 being the kinkiest, how kinky are you?
- Do you have sex sober?
- Does alcohol increase the kinky level?
- What is your favorite position?
- If you could pick a sex super power, what would it be and why?
- If you could clone yourself, would you have sex with yourself?
- Which of these super powers makes you laugh the most:
 - Flame On! (Insta shaved puss)
 - Go Go Gadget Penis
 - I wish I was a vacuum cleaner
 - I can generate cucumbers out of thin air!
- Comments/Story?

Below are the results. As always, a dark color depicts a positive response to the question. A pink color represents a negative response to the question.

Results

If you could pick a sex super power, what would it be and why?

This was not easily added to the infographic as the results were as widely different as there were responses. To better address this topic, a summary is added below. Pick your favorite, and give a thumbs up, preferably naked in the shower, to each idea.

Male Responses:

- Freeze time. You can recharge, go multiple times, grab a little some off frozen people, and nap.
- That my cum would taste like pumpkin spice latte.
- That I could stimulate a clitoris over long distances with my mind.
- To be an 18 year old walking hard on again.
- I'll call it Seeing Double. Every encounter would be a three-some with twins! I feel an explanation is absolutely unnecessary.
- Sex Finger. Pointing at any person would make them have an orgasm. It'd be so fun at dinner parties.
- Ability to create extra items with my mind, like green lantern. An extra hand, an extra tentacle, so forth. The tricks could be quite fun! They'd be invisible though. If a sex tape got out, I don't want to be captured for gov't testing.
- No down time. Hate waiting to recover for the next round.
- Making all the chores go away before hand and after to set the mood and for post sex round twos

Female Responses:

- Super flexibility. Why..because well...kinky!
- Probably levitation. Join the mile high club minus the plane.

To our surprise, there wasn't many mind control, mind reading, memory erasing, shapeshifting, seeing the future, or invisibility (oh man, that'd be a fun one wouldn't it?) suggestions. Our favorite? All of the above, simultaneously!

WHICH SUPER POWER MAKES YOU LAUGH THE MOST?

Conclusions

Let's recap the gems here.

No females would sleep with a clone of themselves, but 2 guys would. We're not sure if one of those guys wanted his cum to taste like pumpkin latte spice.

Females want to fly and be ultra flexible.

Males want to have permanent erections.

No one is super boring in bed and everyone hates the missionary position. Go Doggy or Girl on Top, Woo!

And the greatest super power of all? Alcohol, as it makes everyone more kinky.

Comments

This is our favorite portion of every poll. For everyone's viewing pleasure, in no particular order, the comments:

[In reference to the "I was I was a vacuum cleaner"]: Ha is there a reverse switch? Duck and blow? – *male*

I am unable to say that I haven't used the phrase "Go Go Gadget Penis" before. – *male*

My very first "romantic experience" was when I was 16, with one of my best friend's ex-gfs, on his bed. My friend eventually admitted to being bi-sexual. And no, we did not have a 3-some but it explained why he was cool with being in the room at the time. – *male*

In high school, I would often dream that the world would die of this horrendous plague except me and the girls of my choosing. The fallout would be a life of having to sleep with all these girls to repopulate the world. As I got older, I realized, the girls I would have chosen are pretty damn dumb and that was a dumb fantasy. A super power would be so much better. But we learned in Unbreakable, for every super person is an equally evil person. Somewhere out there is a guy pointing his finger at guys removing their erections and laughing. I'd kick that man in the balls if I could. – *male*.
