Disclaimer:

This brief summary does not intend to be statistical accurate in any way. It is a satirical summary of real responses gathered anonymous and randomly through internet input for entertainment purposes only. The only reason there is a disclaimer, is because there are too many stupid people alive that may take this as truth.

## **Question Definition**

**If you could only pick 1, which would you pick:  
to have a threesome or to get anal?**

## **Methods**

Internet polling, via website input, was conducted. The poll was left active for one month with input done through a webpage survey for anonymous input. Advertisement of the poll was done primary through Facebook groups and sharing.

The following questions were asked:

- Please enter your sex
- If you could only have one, which would you chose: Anal or Threesome?
- Have you tried anal?
  - Was it fun?
  - Would you do it again?
- If you were in a threesome, would you prefer: MFM, FMF, MMM or FFF?
- Does it make it better if the threesome was with 2 brothers/sisters?
- Have you ever had a threesome?
  - Was it all you expected?
  - Would you do a threesome again?
- Does MFM turn you on more for: handcuffs or DP?
- Do you have a nickname for your Penis or Vagina?
- Would you rather have a Mangina or Penis Nipples?
- This one time ... at band camp...?

Below are the results. As always, a dark color depicts a positive response to the question. A pink color represents a negative response to the question.

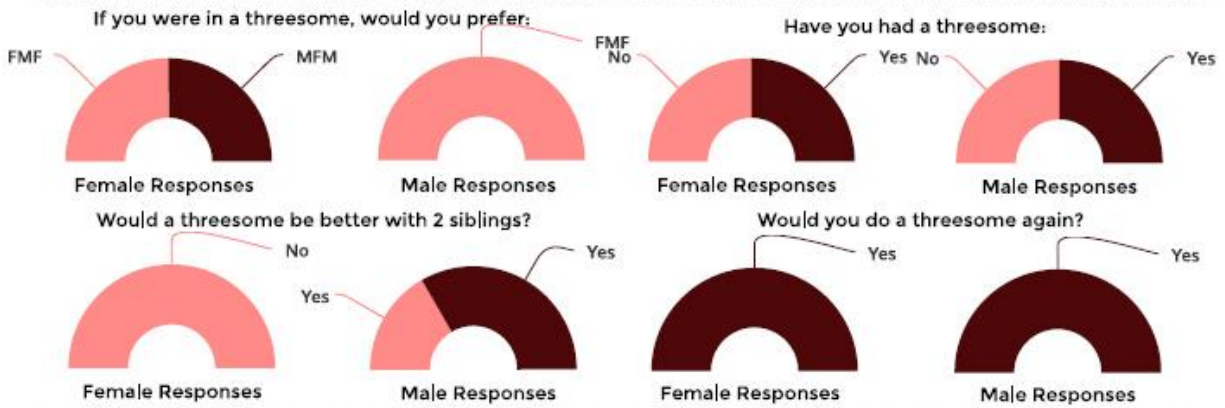

# All Things Cherry Presents: THREESOME -VS- ANAL

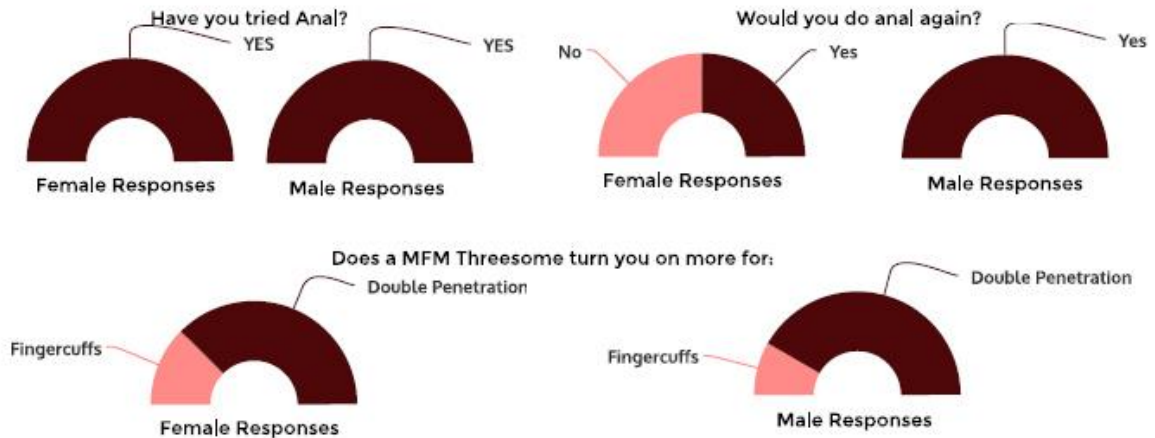

### WOULD YOU RATHER HAVE A THREESOME OR ANAL?

## THREESOME

## ANAL

## **Results**

Number One. Give a fucking high five! Seriously, **100%** of poll takers have tried anal and **50%** have had a threesome! Additionally, all **100%** that had a threesome would do it again. **50%** would do anal again. Let that sink in. We have the best poll takers in the world! Do you think if you asked a random sampling of people off the street these same two questions, you'd get anywhere near these results? We highly doubt it.

Now, let's discuss the general trends and dichotomy that is in this poll.

- 1) 80% of guys would pick a threesome over anal. 50% of girls would pick anal over a threesome.
- 2) Girls are split equally between 2 guys, 1 girl, or 2 girls, 1 guy. Guys are all about 2 girls. So the odds are the most statistically in favor of 2 girls.
- 3) 66% of male responds would like the threesome to be with sisters. [Editor's note: one of the female takers asked why we included questions so often about incest. Because people keep answering Yes to it. That's why!]
- 4) The dichotomy. In a MFM threesome, what turns people on more? Double Penetration by a LONG ways! 83% of males and 75% of females all love the Dr. Pepper. Evidently the main question is highly flawed. In a threesome, anal is a high probability!

## **Random Questions**

Only 1 respondent has a nickname for their penis. No other person did. The person did not volunteer their name.

Girls were torn whether they'd rather have a mangina (a penis tucked between their legs to look like a vagina) or penis nipples (just as it sounds). They were split 50/50. Ironically enough, males responded the exact same way. We'll give away our choice: PENIS NIPPLES!! Then, you could satisfy 4 girls at the same time. Two straddled on your chest, one on your junk, and one sitting on your face. And, with 3 penises, that means you can go at least 3 times right? At least if you didn't die of lack of blood first.

## **Threesome Comments**

Those that chose to answer how their threesome(s) were gave the following comments:

- It was what I expected and more. 1 guy, me and another girl. It was pretty awesome. - *female*
- I felt used, but in the best way possible. - *male*
- It's what I expect most of the time. - *male*

**This one time.... at band camp ...:**

This is our favorite portion of every poll. For everyone's viewing pleasure, in no particular order, the comments:

[In reference to the "do you have a nickname for your penis or vagina"]: I don't, but I should start by calling it Fernando. Then every time I heard Abba, they'd be talking about my junk. – *male*

Never went to band camp. Got tricked into Jesus camp once, that sucked. – *male*

If casual band participation moved from high school to college, my god, the stories! – *male*

Hard choice here. I picked threesome in the hopes that with all the holes flying around, it'd increase my odds. – *male*. [Editor's note – you chose wisely judging by the results.]

No females had a story. We're disappointed in you. Bend over and give us 2.
