Disclaimer:

This brief summary does not intend to be statistical accurate in any way. It is a satirical summary of real responses gathered anonymous and randomly through internet input for entertainment purposes only. The only reason there is a disclaimer, is because there are too many stupid people alive that may take this as truth.

Question Definition

You just killed the hottest zombie ever, do you get a little freaky with it?

Methods

Internet polling, via website input, was conducted. The poll was left active for one month with input done through a webpage survey for anonymous input. Advertisement of the poll was done primary through Facebook groups and sharing.

The following questions were asked:

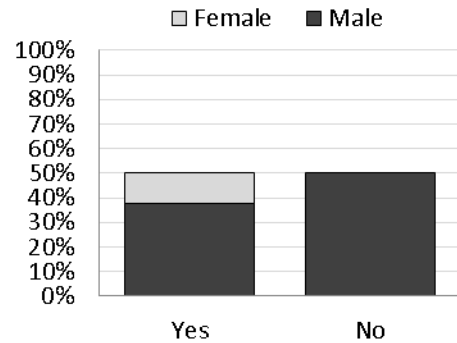

- Please enter your sex
- The Zombie Apocalypse Happens. A very hot person (celebrity, old high school person you never banged, that drummer from that band) who still looks hot, tries to eat you. You manage to kill them. Do you...
 - Check out their private parts?
 - Grab their private parts?
 - Bang that zombie hard!
 - How many holes?
 - Double Tap?
- Can you become a zombie via sex?
- Snap a photo with your cell phone and put it on facebook?
- Question the viability of the internet in a zombie apocalypse?
- I'm going to go back to looking at porn w\ Star Wars characters now?
- Any comments?

Analysis

The Zombie Apocalypse Happens. A very hot person (celebrity, old high school person you never banged, that drummer from that band) who still looks hot, tries to eat you. You manage to kill them. Do you...

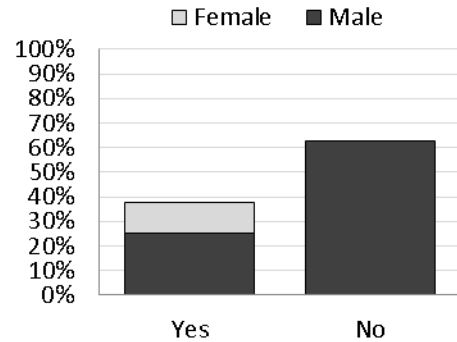

- 1) Check out their private parts?

It's split pretty equally here, except the female population was a definite. We're actually surprised most of the male population isn't perverted here. We'd bet they're lying, but based on the history of these polls, we feel people answer pretty honestly.

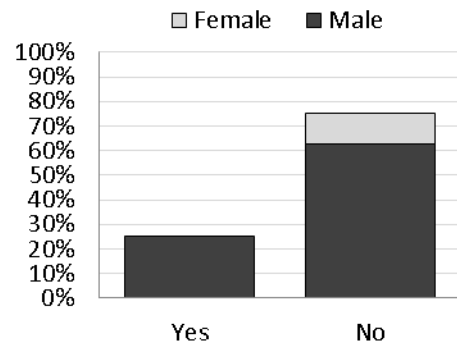

- 2) Grab their private parts?

Who doesn't want a little afterlife grope? Our population reduces as "look but don't touch" applies.

- 3) Bang that zombie hard?

We'll let you decide if you should hit to make sure it's dead, or take your special relationship to the next level.

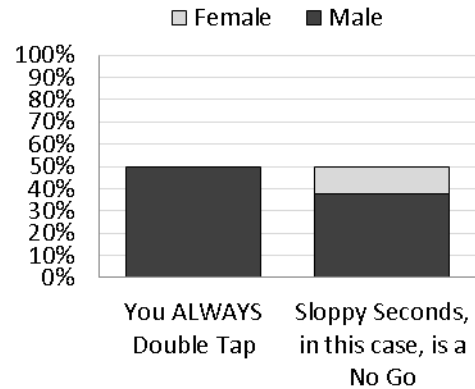

- 4) How many holes?

All positive respondents stated:

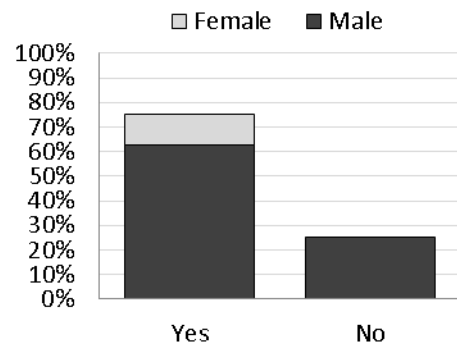

"Two, avoiding the teeth, of course"

We agree. We all know what would happen if you cut your wang on a zombie tooth: zombie dick! No one wants to turn into a zombie dick first.

- 5) Should you Double Tap a zombie?
 The guys that said yes above, said you should ALWAYS Double Tap. They did gain a little moral support from the naysayers.

- 6) Can you become a zombie via sex?
 Surprisingly enough 50% of the people that said that they'd bang a zombie also said you could also become a zombie via sex. So yolo?

Results

So, probably our least perverted poll to date. Only ~25% of respondents would fuck a zombie. We figured if she was still warm, it didn't count. They'd also take a photo or two of it to throw it up on facebook, but they'd question the viability of the internet during a zombie apocalypse. We figure the aliens that made the zombies would keep the electric grid up so they could easily track the survivors before turning them into human batteries. Then 2 people would go back to looking at Star Wars Porn.

Zombie sex would be awesome, if you're careful of course. – *female*

The thought of Zombie-ism as an STD is quite horrifying. I hope the internet is still around so I don't have to learn firsthand. – *male*

I've dated a few girls that were pretty lifeless in bed. Over time, a few look like zombies too. – *male*

Sex is a messy violent act of course you get zombie virus from it. – *male*

Too High. – *male*
